## OBJECTIVE

---

I am a Computer Science student with a strong foundation in **Python, C, and Cyber Security**, specializing in **data privacy** and **machine learning**. I have hands-on experience working on projects that focus on securing sensitive information and leveraging technology to solve real-world security challenges. With a keen interest in applying my technical skills to cybersecurity solutions, I am seeking opportunities to contribute to innovative projects, collaborate in dynamic teams, and gain valuable industry experience.

## EDUCATION

---

<b>Dayananda College of Engineering (DSCE), Bengaluru, India</b> Bachelor of Engineering – Computer Science & Cybersecurity	2022 - 2026 CGPA: <b>9.51</b>
